Permit Imprints -- The Indicia

Printing the indicia (mail stamp) on your mailing piece saves you time and money. You simply design your piece with the indicia and it is printed on. It's that simple.

MarketPlace Mail allows you to use our indicia for free -- saving you \$320 in Post Office fees.

Please note that the use of our indicia means the mail **MUST** go to the Raleigh Post Office, where they verify there is money in our account. You cannot use any other Post Office or drop the mailers into a mailbox (unless you put a first class stamp on each mailer.)

There are three different imprints -- **First Class**, **Standard** or Bulk Mail, and **Non Profit**.

PRSRT STD

RALEIGH NC
PERMIT 1439

This is the indicia for First Class. This indicia gives you faster service, especially if you are mailing around the country.

NON PROFIT

RALEIGH NC
PERMIT 1439

Non profit organizations who have filed the appropriate paperwork with the Post Office and been authorized to use nonprofit rates can use our non profit permit. It does not matter what Post Office has given the authorization. However, postal form 3623 needs to be completed before mailing. Please check with us before printing if you plan to use this indicia.
